In 2023, the real estate maven achieved one of his largest sales with a grand estate on 1.5 acres in River Oaks. The seller had been unsuccessful in selling the home for over a year when they called Mahlstedt. His team updated and listed the property, promptly attracting multiple offers and the perfect buyer.

“Since the sale, they have referred four other clients to me, for which I'm truly grateful,” says Mahlstedt.

When he's not selling real estate, Mahlstedt enjoys renovating homes. He's transformed 13 so far, and the boundless opportunities for creativity continue to drive his passion.
